4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

The above-identified application became abandoned for failure to file a timely and proper reply to the Office Action mailed May 10, 2004. Said action was not received by Applicants due to an oversight, which resulted in the correspondence address for the above captioned application not being updated when applicant's representatives relocated to the address indicated below. Specifically, applicant's representatives filed a change of address for their primary customer number, No. 21912, and mistakenly believed all currently active cases were associated with said customer number when in fact the present application was not.

Attached is a copy of the Interview Summary between Examiner Greene and Vicki Lorist of this office. Subsequent to further conversations, a change of address was filed with the USPTO and Examiner Greene forwarded a copy of the final office action. A response to this action is enclosed herewith.
